

# Nathan Llewellyn

User Experience & Interaction Designer  
70 west Center street Salem, UT 84653  
natedoesUX.design  
llewellynnathan@gmail.com  
801-857-7744

## Objective

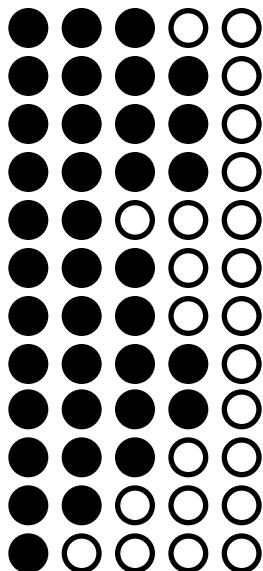

Through empathic learning I seek to understand the goals and needs of users to design digital and physical experiences. I fail often to succeed sooner. I strive to uncomplicate the complicated. I crave learning. I seek collaboration and feedback.

## Education

**Brigham Young University** 2007-2011  
**B.S. Technology and Engineering Education**  
From HTML/CSS to woodworking, electronics to graphic design, I learned the skills needed to teach a variety of technologies at various levels.

## Professional Skills

Research and Synthesis  
Collaborative Ideation  
Wireframing  
Sketch App  
Photoshop  
Illustrator  
Proto.io  
Axure  
Invision/Marvel App  
HTML5  
CSS3  
JavaScript

## Work Experience

**Axis41**  
Feb. '16 - Present  
Axis41 is a full service digital agency. As a user experience designer at Axis41 I work with researchers, strategists, and others to create solutions for our clients.

**Overstock.com Internship**  
Nov. '15 - Jan. '16

As a UX Product Design intern at Overstock I used a user-centered design method to help improve and create delightful shopping experiences for customers.

**DESIGNATION Labs**  
Jun. - Sept. '15

DESIGNATION is a selective internship experience. I was paired with local startups providing them with pro-bono user experience and interaction design services.

**Draper Park Middle School**  
Jun. '13 - Aug. '15  
Exploring Technology Teacher  
Taught subjects including programming, robotics, manufacturing, global positioning systems, engineering, and industrial design.
